

Overview of PRTR web sites

Many different sites:

- 1) national government data sites
- 2) environmental group sites
- 3) industry information sites
- 4) chemical information sites

Government PRTR Sites

- US Toxic Release Inventory
www.epa.gov/tri and
www.epa.gov/triexplorer
- Canadian National Pollutant Release Inventory
www.ec.gc.ca/pdb/npri
- Mexican RETC
www.semarnat.gob.mx

International PRTR sites

- Commission for Environmental Cooperation www.cec.org/takingstock matches TRI and NPRI, soon include RETC
- OECD www.oecd.org/env
- Europe: www.unece.org/env/pp/prtr.html
- EPER: <http://eper.cec.eu.int/eper>
- UNITAR:
www.unitar.org/cwm/b/prtr/index.htm
- Other countries: Australia, Japan etc.

Environmental Group PRTR websites

- US - Scorecard
www.scorecard.org
- Canada - PollutionWatch
www.pollutionwatch.org
- No current Mexico equivalent

Industry PRTR Information Websites

- Usually by industry association-
Chemical, Steel, Pulp and Paper etc.
- Sometimes environmental report for a
parent company or facility - usually
“googling” by name gives best results

Chemical information sites

- Government: IRIS, California Proposition 65, ASTDR, CEPA
- International: IARC, Chemical card
- Environmental: Scorecard, PollutionWatch
- Some EPA and international links in Spanish
